

IRS Small Business Resources

[IRS Small Business & Self-Employed Tax Center](#)

This section offers a broad range of resources across federal and state agencies, as well as industry/profession specific information for self-employed entrepreneurs, employers and businesses. You will also find links to starting and operating a business, employment taxes, business-related forms and publications, and online learning options. <https://www.irs.gov/smallbiz>

[IRS Video Portal - https://www.irsvideos.gov/](https://www.irsvideos.gov/)

Learn about tax topics through video and audio presentations, including the **[IRS Virtual Small Business Tax Workshop](#)**, which has interactive lessons designed to help new small business owners learn their tax rights and responsibilities. <https://www.irsvideos.gov/SmallBusinessTaxpayer/virtualworkshop>

[Industry Specific Tax Information](#)

Visit this page for tax information specific to certain industries and professions. <https://www.irs.gov/businesses/small-businesses-self-employed/industries-professions>

[Self-Employed Individuals Tax Center](#)

This page gives you the basics on your tax responsibilities if you are self-employed or an independent contractor. <https://www.irs.gov/businesses/small-businesses-self-employed/self-employed-individuals-tax-center>

[Tax Reform - https://www.irs.gov/tax-reform](https://www.irs.gov/tax-reform) and <https://taxchanges.us/> (Taxpayer Advocate's site)

Both of these sites have information on the Tax Cuts and Jobs Act and its effects on your taxes.

[Paycheck Checkup/Withholding - https://www.irs.gov/payments/tax-withholding](https://www.irs.gov/payments/tax-withholding)

The IRS encourages everyone to use the Withholding Calculator to perform a "paycheck checkup." This is important because of recent changes to the tax law for 2018 that affect the amount of tax withholding.
